German Cabinet May Include One of People's Party.

Recess of Two Weeks Taken by Reichstag.

Berlin, May 13.—Resolutions urging an enlargement of the present German cabinet so that it may include a representative of the German People's party have been adopted by the parliament delegation of the Democratic party, which was divided on the question of acceptance or rejection of the allied ultimatum regarding reparations. Dr. Gustave Stresemann is leader of the German People's party, which includes a number of the principal figures in financial and industrial circles in this country.

The Democrats emphasize the desirability of enlisting of national elements regardless of their previous attitude on the ultimatum issue and suggest recruiting ministers, not only from the People's party, but other economic and financial agencies willing to support the new government in the task of carrying out the reparations conditions.

Recess of Two Weeks.

A recess of two weeks is being taken by the Reichstag and during this time the government hopes to perfect the organization of the new cabinet. Doctor Rosen, German minister to Holland, is being urged to accept the foreign ministry. Altho not active politically, he is nominally counted a Democrat. The finance and restoration portfolios also are to be filled.

Doctor Wirth, the chancellor, has conferred with Doctor Peters, commissioner for disarmament, regarding the Bavarian situation which the central government is obliged to untangle during the next six weeks. The Bavarian government has not as yet given Berlin any definite assurance it will immediately proceed to disband the citizen guard, and reports from Munich indicate the coalition parties, constituting the present Bavarian ministry, continue their attitude of opposition. General von Seeckt, chief of staff, has ordered the disarmament of fortifications along the eastern frontier. Doctor Goepfert, director of the peace section of the foreign office, has resigned. He was a close adviser of Doctor Simons, former minister of foreign affairs.

25 YEARS AGO IN TOPEKA

From the Columns of THE TOPEKA STATE JOURNAL

May 13, 1896.

The people living in Martin & Dennis addition are somewhat exercised over the suit pending in the district court to determine whether the block between Eighteenth and Nineteenth streets and Buchanan and Lincoln streets is to be platted. The ground is now in park and is covered with shade trees. The people living in the neighborhood are anxious that it should remain as it is, while the owners of the addition want to cut the park up into lots and sell them. The city has been made a party to the suit and City Attorney Bird will assist in the effort to prove that the place is a legal park and therefore cannot be platted and sold.

City Engineer Barnes has bought a horse and buggy with which to make his rounds.

Mr. and Mrs. D. O. McCray and daughter, Miss Lena, will be at home next week at 810 Topeka avenue.

Mrs. C. C. Baker is entertaining the Atlantians this afternoon complimentary to Mrs. J. N. Baker, who is a member.

Miss Virginia Mulvane who has been studying at the Constock School of Oratory at Evanston, is expected home this week.

Mrs. Frank Bannister of Chicago is the guest of her parents, Mr. and Mrs. Irons.

Quarreled Since Wedding Day

"My stomach and liver trouble made a regular grouch of me. I was worn at everyone, including my wife, and we quarreled every day since the wedding. She is a dear little girl and I know I was my fault. May's Wonderful Remedy was recommended for my stomach trouble, and since taking it I have felt like a new man. My wife and I now get along beautifully." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists. Adv.
